

Press Release

HAMPTON, Va., Dec, 2005 – UAV Communications (UAV Comm), Inc. provider of technology and strategic consulting services and solutions to federal government organizations, announced that William "Dub" Travis has been selected as the 2005 Most Valuable Player (MVP) for UAV Communications. At the annual east coast Christmas party, UAV Comm President, Robert "Bob" Fitzgerald made the announcement and presented Dub with the award.

"Mr. Travis's accomplishments have been extremely important to Air Combat Command and the war-fighter in particular," said Bob Fitzgerald. Our customers acknowledge Dub's superior performance and cite that his support has been nothing short of fantastic. Dub provides myriad services to include; coordinating and assisting analysts, managers and senior leaders within the Air Force, ACC, DoD, and the intelligence communities for Predator and other UAV platforms and missions.

The whole company appreciates Dub's efforts as do I, said Bob when presenting the award. I think Dub is a "center of excellence" and his performance for 2005 certainly shows that.
